The 1-3-2-4 strategy is all about how you increase your wager.
Of course, no strategy is completely foolproof, and the further you can make yo
ur budget stretch, the more likely you are to see a profit.One sided
This strategy is very simple, and basically involves choosing to consistently be
t on either the player or banker.
You should continue to do this until you've lost three times.
At this point, you should stop and wait until your choice starts to win again,
before resuming betting.
When using this strategy, it's good to have a target for how much you'd
like to win, so you know when to end your game.Paroli
The Paroli strategy is one of the few positive betting systems, where you increa
se your bet each time you win.
